

MATERIAL SAFETY DATA SHEET (MSDS)

XCELL Griti Hand Cleaner

XG

Proper Shipping Name	Hand Cleaner	Hazard Class	n/a
Recommended use	Industrial Hand Cleaner	Packing Group	n/a
Company	Xcell Products NZ	UN No	None
Address	71 Adams drive, Auckland. New Zealand	Hazchem Code	n/a
		Subsidiary Risk	n/a
Telephone	+64 9 238 2389 [8.00 - 4.30 Mon to Fri]	Poisons Schedule	None
Fax	+64 9 238 2399		

Emergency Telephone +64 21 930 795 (24 hours emergency only)
National Poison Centre (24 hours): 0800 POISON [764 766]

Ingredients	Content*	CAS No
D-Limonene	Medium	5989-27-5
Oleic Acid	Low	112-80-1
Nonylphenol Surfactant	Low	9016-45-9
Perlite Ore	Low	93763-70-3
Ammonia Hydroxide	Very Low	1336-21-6
Sodium Hydroxide	Low	1310-73-2
Water & Non Hazardous	Up to 100%	7732-18-5

*Content: High >60%, Medium 10 to 60%, Low 1 to 10%, Very Low <1%

Physical and chemical properties

Appearance	Green gel	Solubility	Complete
Physical State	Green	% Volatiles	No Data
Odour	Citrus	Vapour Pressure	No Data
Specific Gravity	0.97	Vapour Density	No Data
pH	7 – 8 Depending on viscosity	Flash Point	No Data
Boiling Point	No Data	Flammable Limits	No Data

Hazard identification

DANGER:

- May be Harmful if swallowed (may cause gastrointestinal irritation)
- Causes mild eye irritation.
- Repeated or prolonged skin contact may lead to irritant contact dermatitis.

PREVENTION:

- Read label before use.
- Keep out of reach of children.
- Wash hands thoroughly after handling.
- When exposure is likely, wear protective equipment to prevent skin and eye contact.

First-aid measures

- Eyes:** Rinse cautiously with warm gently running water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing for 15 minutes. If eye irritation persists: Get medical advice/attention.
- Skin:** Repeated or prolonged skin contact may lead to irritant contact dermatitis. Wash contaminated skin with plenty of water. Remove all contaminated clothing and wash before reuse. If irritation occurs seek medical advice.
- Ingestion:** Immediately rinse mouth with water. If more than 15 minutes from a hospital, induce vomiting using fingers in throat or Ipecac Syrup APF. Seek medical assistance.

NOTES TO PHYSICIAN: Treat symptomatically.

**FOR FURTHER INFORMATION CONTACT (24 hours)
THE NATIONAL POISON CENTRE: 0800 POISON [764 766]**

Fire-fighting measures

- Flash Point:** Not available
- Auto ignition temperature:** Not available
- Flammable limits in Air % by Volume:** Not available
- Extinguishing media:** Water Spray, foam, carbon dioxide, dry chemical powder, BCF.
- Fire fighting instructions:** Combustible but not considered to be a significant fire risk.
- Unusual fire and explosion hazards:**

Accidental release measures

If product is released or spilled: Collect into suitable containers for disposal. Dispose through licensed disposal company. Do not release into waterways.

Handling and storage

Handling Not classified as Dangerous Goods. Slippery when split. Avoid accidents, clean up immediately. No special precautions required.

Storage Store in a cool dry well ventilated place and out of direct sunlight.

Exposure controls and personal protection

Engineering Controls: General (mechanical) room ventilation is considered satisfactory in enclosed spaces.

Eye / Face Protection: Avoid contact with the skin and eyes. When exposure is likely, use personal protective equipment in a combination appropriate to the exposure.

Body Protection:

Respiratory Protection:

Stability and reactivity

Stability of the substance: This material is considered stable.

Conditions contributing to instability: n/a

Incompatibility: n/a

Hazardous decomposition products: n/a

Conditions contributing to hazardous polymerization: n/a

Toxicological information

Inhalation: n/a

Ingestion: Harmful if swallowed. Swallowing can result in nausea and vomiting.

Skin: May cause skin sensation.

Eyes: Mild eye irritant.

Acute Over-Exposure: Repeated exposure to the skin can cause hardening and cracking.

Chronic Effects: Repeated or prolonged skin contact may lead to irritant contact dermatitis.

Ecological information

Prevent product from entering drains, watercourses and sewers.

Disposal considerations

Dispose through licensed disposal company
